BYU OPENS THE PDL SEASON IN THE O.C.

PROVO, Utah (May 3, 2010) -- The BYU men's soccer team will begin the 2010 Premier Development League season this Saturday, May 8 on the road against the Orange County Blue Star. The game begins at 5 p.m. (PT) at Concordia University in Irvine, California.

"This is a huge game," said senior forward, Zach De Francis. "We have a lot to play for in the first game of the season. It will pretty much set the tempo for the entire year. On a personal note, I can't wait to start the season off strong. It would be huge for us to get a solid win on the road against one of the premier teams in our division. Preseason is preseason, which means this is the first real test for our current team."

BYU begins the season with the hopes of returning to the PDL playoffs for the first time since 2007. In 2009 the Cougars were one spot away from the playoffs in the southwest division but believe the return of a handful of veterans, returned missionaries, and freshman is a formula for success.

Senior forward, Zach De Francis and the Cougars being the PDL season, Saturday May 8 at Orange County. The Cougars will have to overcome some history to defeat, or tie, the

Blue Star this weekend. BYU is 0-7-2 all-time against them with two of the last three meetings resulting in 2-2 ties. Orange County won the first six meetings before the two ties and the last meeting on July 11 resulted in a 1-0 loss at home. The Blue Star used to be one of the dominant teams in the division, winning the southwest division title in 2001, 2004, and 2005 before a last place finish in 2007 and eighth place finishes the last two years.
